PARK OPPOSITE YOUNG HOTEL

BISHOP ESTATE ALLOWS THE USE OF THE LAND AND THE HOTEL MANAGEMENT WILL LAY PIPES ACROSS THE STREET AND FURNISH ALL THE WATER NECESSARY TO MAINTAIN THE PARK.

The bare-looking lot across the way from the Alexander Young Hotel is to be transformed into a miniature park at the suggestion of Acting Governor Atkinson. The land is owned by the Bishop Estate but the estate has given its permission for the transformation on the understanding that no possession of the property in any way is to be asserted. This morning Archie Young and Manager Lake of the Young Hotel called on the Acting Governor and offered to lay pipes across the street and furnish all the water necessary for the cultivation of grass and plants on the lot. The offer was immediately accepted and the work of making the park will be put in the hands of a gang from the prison.

"Owing to the public-spirited offer of the Young Hotel management we will be able to have a little park there at practically no cost to the people," said the Acting Governor this morning. "The Bishop Estate too has been most kind in letting us use the ground, of course they will have the right to take full possession at any time, but meanwhile the place can be made most attractive instead of being an eyesore. It would be an ideal place for band concerts and possibly some sort of a temporary bandstand may be arranged for."

JUDGE PARKER'S HOME

"ROSEMONT" AT ESOPUS, N.Y.

JUDGE PARKER'S OLD FARM HOME, A CENTER OF NEW INTEREST AND ACTIVITY TO THE AMERICAN PEOPLE.

NEW YORK, July 26.—It is evident that the little town of Esopus will have a great deal for which to thank its distinguished citizen, Judge Alton B. Parker. Scarcely was the news flashed from St. Louis tell of Judge Parker's nomination than the West Shore Railroad went about making extraordinary terminal preparations in the way of constructing a new waiting room, side tracks and other improvements for the accommodation of a large number of people.

Acting on its belief that the home town of the Presidential candidate will be the Mecca for Democrats and other visitors from all parts of the country during the summer, the West Shore announces that it will make special rates for parties and that all regular trains will hereafter stop at Esopus station with a view to accommodating visitors to the place.

VOTING TO-DAY

REPUBLICANS HOLDING THEIR PRIMARIES FOR THE TERRITORIAL CONVENTION AND DISTRICT COMMITTEES—A LIVELY CONTEST IN THE SECOND PRECINCT OF THE FOURTH DISTRICT—TRYING TO SHUT OUT GOVERNMENT OFFICIALS.

Republicans throughout the Territory are holding their primary elections this afternoon and evening, to elect delegates to the Territorial convention and members of the district committees. Honolulu elects sixty-seven delegates to the convention, forty of them in the Fourth district and twenty-seven in the fifth, and 127 district committeemen, 75 of them in the Fourth and 52 in the Fifth.

The big second precinct of the Fourth is having one of the liveliest fights of the day. It is to elect 6 delegates to the convention and there are over a dozen candidates. Four tickets or slates are in the field, and there is a lively hustling for votes. One of the efforts that is being made is to shut out government officials who are running, and this movement puts Colonel Jones and J. H. Fisher in some danger. Four of the men nominated are on all the slates and are therefore sure of election. They are Frank Kruger, J. A. Hughes, W. T. Rawlins and Harry Murray. Jones, Gilman, Fisher, Aylett, J. H. Soper, Charlie Wilson and others are scrambling for the other two places.

In the first precinct of the fourth and in the seventh of the fifth there are also contests. The seventh of the fifth always has a contest. There is a long list of candidates in the first of the Fourth, and the vote will be heavy. In the Seventh of the Fifth there is again talk of a settlement between the factions, but there is doubt as to the effectiveness of the peace-making.

There is great objection among many of the prospective Honolulu delegates to holding the Territorial convention in Hilo, largely on account of the time and expense of making the trip. Many of those elected this afternoon will not go, but will send proxies if Hilo is chosen as the meeting place.

Following are nominees being voted for:

BALDWIN IS FREE

ACCUSED HILO LAND AGENT IS NOT INDICTED BY THE GRAND JURY AND ATTORNEY GENERAL ANDREWS PROMPTLY NOLLE PROSSES THE CASES OF RAGSDALE AND WILLIAMS—HAWAIIANS SAID TO BE INDIGNANT.

The Hilo land office alleged embezzlements have all come to nothing and according to a wireless message received this morning there is considerable race feeling over the proposition. The grand jury of the present term voted no indictment in the case of Baldwin, and Attorney General Andrews then refused to prosecute Ragdale or Williams, who are natives and were indicted some time ago. Andrews nolle prossed both their cases.

Considerable feeling developed at the last term of court because only the Hawaiians were indicted, and the government proceeded to make charges against Baldwin. He was arrested and held for the present grand jury. The grand jury is composed of mostly whites, and there was a kick among natives when Baldwin was unindicted. According to a wireless received this morning there is great indignation among Hawaiians at the final outcome, and the action of the attorney general in refusing to proceed with the prosecution of the two Hawaiians who were indicted, would seem to indicate that he shares their feeling.

It is now probable that there will be no prosecutions at all as a result of the misuse of public funds in the Hilo land office.

TYPHOON DELAYED THE SHERIDAN

VESSEL WAS HOVE TO FOR SEVERAL HOURS DURING STORM—LARGE CROWD OF PASSENGERS.

Twenty-four hours late, the transport Sheridan arrived this morning from Manila and Nagasaki, en route to San Francisco. A typhoon three-days after leaving Nagasaki, was the cause for the vessel being delayed. Captain Peabody states that the vessel sustained no damage. She was hove to for three hours during the storm which occurred on July 25.

The Sheridan left Manila July 15 and Nagasaki July 23. Nothing of particular interest occurred during the trip, except the typhoon. The vessel has a large crowd of passengers, including 296 soldiers discharged from the service. There are a number of army officers and families of officers as well as civilian employees and families, as through passengers. The ranking officer is Colonel T. C. Lebo of the 14th Cavalry. He is going home on sick leave.

Major R. L. Bullard is from the 28th Infantry. He has been governor at Mindanao.

Carter, son of Brigadier-General Carter, is going home from the Philippines.

Mrs. James Miller wife of Captain Miller of the coast guard service, stops at Honolulu. She is the only passenger who will remain in this city.

Amos D. Haskell is a captain of the Philippines constabulary.

J. Thornton is a newspaper correspondent who is returning home from the Philippines.

Eighteen passengers joined the vessel at Nagasaki. Among them was the family of Judge Ambler of the court of first instance.

A. S. Fugler is a lieutenant of the Artillery Corps, who was in Manchuria and saw some of the operations of the war.

Dr. Alexander Trautman is a surgeon who has been service in the hospital work in Japan during the war.

The transport will sail at 6 o'clock this afternoon from Naval wharf No. 1. She will take several passengers from Honolulu.

NAONE GETS DISCHARGED

YOUNG NATIVE EXONERATED OF CHARGE OF GROSS CHEAT TODAY BY JUDGE LINDSAY.

Philip Naone was discharged this morning by Judge Lindsay. When the case against the young man charged with gross cheat was called, Deputy High Sheriff Chillingworth announced that the police had been unable to locate Robert Wade, the man who was thought to be mixed up in the transaction to swindle Japanese by means of buying steamer tickets between the mainland and Honolulu. The case would have to be submitted on its merits without any further testimony. The court discharged the defendant.

Chang Kim Wo was given two years for robbing the jewelry store of George Haffner in the Masonic building. The defendant secured a number of articles of jewelry. He tried to sell them to Mr. Dietz. The latter notified the police and the man was arrested this morning. A charge of burglary in the first degree was nolle prossed and the defendant was given a year each on two different charges of larceny.

J. G. Correa, charged with assault and battery on his wife, was fined \$10 by Judge Lindsay. The circumstances attending the attack were stated by the police to have been quite bad. The woman signed a check for \$400 in his favor but stopped payment. When Correa discovered this fact he is alleged to have hit her.

Change of Water often brings on diarrhoea. For this reason many experienced travelers carry a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with them to be used in case of an emergency. This preparation has no equal as a cure for bowel complaints. It can not be obtained while on board the cars or steamship, and that is where it is most likely to be needed.
